

ROCKET[®]
ESPRESSO MILANO

COMMERCIAL ESPRESSO MACHINES

HANDMADE IN ITALY

ROCKET ESPRESSO

Rocket Espresso produces the finest espresso machines in the tradition of 'Fatto a Mano' translated to, 'made by hand'. Our small team of craftsmen produce both premium domestic and commercial espresso

machines, beautifully made with meticulous care and attention to detail. More importantly, Rocket Espresso machines will deliver the finest espresso in the cup, time after time.

A partnership between New Zealander Andrew Meo and Italian Daniele Berenbruch who bring philosophies from opposing sides of the world into their Milan factory to make the best espresso machines they possibly can.

BOXER 1 & BOXER 2

A smaller sized machine for those businesses where space is a premium, drawing on over sized boiler capacities that will cope with any peak service demand.

BOXER is a premium compact machine combing the specifications necessary to

produce espresso without compromise yet retaining both the style and finish not normally found in the compact machine market

Contemporary design, BOXER performance, Rocket Espresso.

Available in both high cup and espresso cup versions.
